MAKE A DIFFERENCE THROUGH SPONSORSHIP

Beantown Pals™ inspires and teaches kids to be their greatest self through a variety of wholesome, value-driven content that entertains and motivates them. Wooden Leg Productions invites and encourages you to help us create a brighter future for our youth by supporting our efforts to improve their mental well-being at a time they need it most. Your contribution qualifies for a tax deduction and is highly appreciated. Your donation matters to us and to the kids whose lives we impact.

Far too many young people are struggling with their mental health and are unable or afraid to get the support they need.

The production team at Wooden Leg® is committed to creating content that helps kids better understand and thrive in today's world. Much of our content was and continues to be created by adults who have depth of experience and a track record of success in parenting and in comedy. Coupled with business savvy and formal education, we have a winning formula for bringing kids and families together for a fun-filled time of laughter, positive collaboration and more interactive communication.

Will you take a step today - big OR small - and support our efforts to raise the funds necessary to combat the crisis plaguing our youth in the United States and around the world? Help us help our future generations.

Our funding reaches underserved communities and provides scholarships to students pursuing careers in mental health and in social services. By becoming an individual or corporate sponsor, you impact lives of individuals and the well-being of a global community.

Choose your sponsor level, sign below, and let's make things happen!
